

## 919 Hillsdale Boulevard

Foster City, CA

### PROJECT OVERVIEW

Iron Construction transformed 919 Hillsdale, creating a fresh and modern environment out of a 1980's office space. This commercial interiors project included a complete refresh of the exterior landscape, first-floor lobby, elevators and second-floor mezzanine. The building was outfitted with brand new LED lighting, perforated back-lit panels, white tile, new floor finish/polish and spectacular wood paneling on the ceilings and walls.
