

Deibel Laboratories

South San Francisco, CA

CLIENT/OWNER

Deibel Laboratories

ARCHITECT

AAI Architecture & Interior Design

PROJECT SIZE

24,000 SF

COMPLETION DATE

February 2014

BUDGET

\$660,000

PROJECT OVERVIEW

Deibel Laboratories is a national food and personal care diagnostic company. This project was Deibel's first West Coast lab in the cold shell building they purchased. The buildout was a MEP design build complete with boilers, autoclaves, walk-in warm rooms, complete testing lab, restroom core and office space.
